Organization Details

1. Provide a brief history of your organization. Include any major changes over the last 3 years and any recent changes that will help us better understand your request. (e.g., new executive director, change in operational or financial strategy, COVID, etc.)
2. Why is there a need for your organization? What overall need or issue is your organization trying to address or what opportunities are you trying to create?
3. Provide data or statistics that illustrate the scale of the issue or opportunity stated in question #2.
4. Tell us about your core services and programs using the provided Excel template.
5. How do you know if your organization is being successful impacting the issue or opportunity stated in question #2?
6. Provide the specific data or evaluation results your organization has collected to determine your success as described in question #5.
7. What are your organizations top 3 goals over the coming year to improve the efficiencies or increase the effectiveness of your organization, your staff, your board, or your overall impact?
8. If your organization has significant collaborations or partnerships, please detail with whom and how you are working with them to increase your impact.
9. Do you have any other specific needs or challenges at this time, that if met, would help your organization be more successful? Have these been included in your budget and planning? Why or why not?
10. Is there anything else we should know about your organization and why you are well-positioned to do this work?

Project Details

1. What is the critical need/issue/opportunity that will be addressed by this project?
2. Share the data or information that illustrates the need or opportunity you identified.
3. Provide a brief description of your project.
4. How does this project address the issue or opportunity you identified?
5. How does this project improve your ability to deliver programs or services and/or improve your operations?
6. How has the community and/or the people you serve been involved in identifying the need for the project and providing input into the project design and implementation?
7. List key partners and consultants who are working with you on this project.

8. If your request is for renovation, construction, or land acquisition, please tell us who owns the site. Will you hold sole ownership in the future? If there are plans to transfer ownership, please share details about the plans.
9. Explain why or why not existing structures have been considered for the project.
10. If relocating, what will be done with the existing property?
11. What phase is the project in? (For example, design, bid, construction, etc.) Describe any environmental issues that must be addressed as a part of the project.
12. Provide a timeline of key milestones, as well as completion and occupancy dates. (For example, when phases of the project are expected to be completed, start dates for construction, etc.)
13. If your request is for renovation or construction, what is the size of the facility, both in gross sq. ft and finished sq. ft? Please separate out new construction and renovation and identify the square footage for each (if doing both).
14. What is the cost of construction or renovation per square foot? Please separate out new construction and renovation and identify the cost per square footage for each (if doing both).

For Renovation of Existing Facility:

1. Do you own the building? When was it acquired? Was it purchased or donated? How was the building previously used?
2. If re-locating, what will be done with existing property?

For Purchase of Furnishings/Equipment:

1. Describe in detail the purchases planned.
2. Will this purchase replace existing property or furnishings/equipment? If so, what will be done with the old property/equipment?
3. Will you own the furnishings/equipment? If there are plans to transfer ownership to another organization, please explain.

Financial Information

1. Please describe your organization's financial leadership structure. In your response, please address the following:
 - a. Do you have an internal accounting team, or do you outsource your accounting function? If you outsource, who do you work with?
 - b. Please describe your financial planning (budgeting) process.
 - c. How often does management monitor internal financial reporting?

2. Please describe how your organization's Board of Directors carries out its governing responsibilities for financial monitoring and oversight.
3. Please describe your organization's overall financial health. In your response, please address the following:
 - a. How do you manage and monitor operating cash flow? How many months of operating cash do you currently have on hand?
 - b. Do you have a Board approved operating reserve policy? If so, please describe your policy, how you manage to this policy, and your current operating reserve balance.
 - c. Do you have a line of credit or debt? If so, please describe to whom, how much is owed, and why debt financing was utilized.
4. Please describe your primary sources (government, foundations, corporations, individuals, earned program service income, fundraising events) of revenue and how diverse funding sources are maintained. We are looking to understand how much of your revenue comes from different sources, not specific funders.
5. Please tell us about any major changes you are anticipating in your revenue streams or expenses, including changes that impact your budget and/or funding request.
6. Will debt financing be used for this capital project? If so, provide source, amount, interest rate, loan term, and repayment plans.
7. How will this project impact your operational costs? If this increases your expenses, how will you cover the additional costs?
8. If your request is for renovation or construction, how do you plan on covering ongoing maintenance (costs) for your new facility?
